

# SLA-T4680DA

Doorjam camera for PNM-9000QB, XNB-6002

## Key Features

- Compatible with XNB-6001 not included
- 2 Megapixel (1920 x 1080) resolution
- 4.6mm pinhole lens
- 0.06Lux@F2.5
- 8m cable
- Easy installation
- Flexible panning -30° to 30°
- Multiple housing color options to match the door jamb
- Hidden security screw for discrete look
- Includes lens & housing

## Compatible Devices

# SLA-T4680DA

Doorjam camera for PNM-9000QB,  
XNB-6002

## Specifications

### Video

|                         |                       |        |
|-------------------------|-----------------------|--------|
| Imaging Device          | Size                  | 1/2.8" |
|                         | Type                  | CMOS   |
| Min. Illumination (Lux) | Color(1/30sec, 30IRE) | 0.06   |
|                         | BW(1/30sec, 30IRE)    | 0.06   |

### Lens

|                                |            |                               |
|--------------------------------|------------|-------------------------------|
| Focal Length (mm)              |            | 4.6                           |
| Max. Aperture Ratio (F number) | Wide       | 2.5                           |
|                                | Tele       | 2.5                           |
| Angular Field of View          | Horizontal | 73°                           |
|                                | Vertical   | 39°                           |
|                                | Diagonal   | 85°                           |
| Min. Object Distance           |            | 0.3m(0.98ft)                  |
| Mount Type                     |            | RJ12 connected with main unit |
| Focus Control                  |            | Fixed                         |

### Pan / Tilt / Rotate

|                           |     |                                 |
|---------------------------|-----|---------------------------------|
| Pan / Tilt / Rotate Range | Pan | Flexible panning $\pm 30^\circ$ |
|---------------------------|-----|---------------------------------|

### Environmental & Electrical

|                     |             |                                |
|---------------------|-------------|--------------------------------|
| Operating Condition | Temperature | -10°C ~ +55°C (+14°F ~ +131°F) |
|                     | Humidity    | Less than 90% RH               |
| Storage Condition   | Temperature | -50°C~+60°C(-58°F~+140°F)      |
|                     | Humidity    | Less than 90% RH               |

### Mechanical

|                    |                                                                                                                                 |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Color              | Black                                                                                                                           |
| Material           | Plastic                                                                                                                         |
| Product Dimensions | Housing: 42.9(W)x33.0(H)x170.0(D)mm(1.69"x1.30"x6.69"),<br>Lens: 30(W)x27.9(H)x45(D)mm(1.18"x1.10"x1.77"),<br>Cable: 8m(26.2ft) |
