

# SLA-T4680DSA

Doorjam camera for PNM-9000QB, XNB-6002

## Key Features

- Compatible with XNB-6001 not included
- 2 Megapixel (1920 x 1080) resolution
- 4.6mm pinhole lens
- 0.06Lux@F2.5
- 8m cable
- Easy installation
- Flexible planning  $\pm 30$  degrees
- Multiple housing color options to match the door jamb
- Hidden security screw for discrete look
- Includes lens & housing

# SLA-T4680DSA

Doorjam camera for PNM-9000QB,  
XNB-6002

## Specifications

### Vidéo

|                             |                          |        |
|-----------------------------|--------------------------|--------|
| Capteur d'image             | Taille                   | 1/2.8" |
|                             | Type                     | CMOS   |
| Illumination minimale (Lux) | Couleur (1/30sec, 30IRE) | 0.06   |
|                             | N&B (1/30sec, 30IRE)     | 0.06   |

### Objectif

|                                  |              |                                    |
|----------------------------------|--------------|------------------------------------|
| Longueur focale (mm)             |              | 4.6                                |
| Rapport d'ouverture maximale (F) | Grand-angle  | 2.5                                |
|                                  | Téléobjectif | 2.5                                |
| Champ de vision angulaire        | Horizontal   | 73°                                |
|                                  | Vertical     | 39°                                |
|                                  | Diagonale    | 85°                                |
| Type de montage                  |              | RJ12 connecté à l'unité principale |
| Contrôle de mise au point        |              | Fixe                               |

### Pan / Inclinaison / Rotation

|                                    |     |                                 |
|------------------------------------|-----|---------------------------------|
| Plage Pan / Inclinaison / Rotation | Pan | Flexible panning $\pm 30^\circ$ |
|------------------------------------|-----|---------------------------------|

### Environnement & Électrique

|                              |             |                                |
|------------------------------|-------------|--------------------------------|
| Conditions de fonctionnement | Température | -10°C ~ +55°C (+14°F ~ +131°F) |
|                              | Humidité    | Less than 90% RH               |
| Conditions de stockage       | Temperature | -50°C~+60°C(-58°F~+140°F)      |
|                              | Humidité    | Less than 90% RH               |

### Mechanical

|                       |                                                                                                                         |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------|
| Couleur               | Argent                                                                                                                  |
| Matériau              | Plastique                                                                                                               |
| Dimensions du produit | Housing: 42.9(W)x33.0(H)x170.0(D)mm(1.69"x1.30"x6.69") Lens: 30(W)x27.9(H)x45(D)mm(1.18"x1.10"x1.77") Cable: 8m(26.2ft) |
| Poids du produit      | Housing: 70g(0.15lb) Lens: 41g(0.09lb)                                                                                  |
