

SPI-50

IR Illuminator

Key Features

- Compatible IR Illuminator for TNU-6320/6321
- IR light covers whole FoV range of TNU-6320/6321
- Wavelength : 850nm

Compatible Devices

SBU-500WM

TNU-6320

TNU-6321

SPI-50

IR Illuminator

Specifications

Environmental	
Operating Temperature / Humidity	-40°C~+60°C / None
Certification	EMC(FCC, CE, VCCI, RCM, KC), IP67
Electrical	
Input Voltage	24VAC
Power Consumption	Max. 24W
Mechanical	
Color	Black
Material	PC(Polycarbonate), Aluminum
Product dimensions / weight	112x153.2x65.2mm / 2,243g
Supported products	TNU-6321 ※ For further compatible models, please visit our website or use Toolbox
