Important

Please check 'Manuals' from our website, before connecting to the Supply,
<https://www.hanwhavision.com/en/download-data/>

Warranty

Please check "Product warranty information" from our website.
<https://www.hanwhavision.com/en/support/warranty/>

Hanwha Vision cares for the environment at all product manufacturing stages, and is taking measures to provide customers with more environmentally friendly products.

The Eco mark represents Hanwha Vision's devotion to creating environmentally friendly products, and indicates that the product satisfies the EU RoHS Directive.

Correct Disposal of This Product (Waste Electrical & Electronic Equipment)

(Applicable in the European Union and other European countries with separate collection systems)

This marking on the product, accessories or literature indicates that the product and its electronic accessories (e.g. charger, headset, USB cable) should not be disposed of with other household waste at the end of their working life. To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate these items from other types of waste and recycle them responsibly to promote the sustainable reuse of material resources.

Household users should contact either the retailer where they purchased this product, or their local government office, for details of where and how they can take these items for environmentally safe recycling.

Business users should contact their supplier and check the terms and conditions of the purchase contract.

This product and its electronic accessories should not be mixed with other commercial wastes for disposal.

Correct disposal of batteries in this product

(Applicable in the European Union and other European countries with separate battery return systems.)

This marking on the battery, manual or packaging indicates that the batteries in this product should not be disposed of with other household waste at the end of their working life. Where marked, the chemical symbols Hg, Cd or Pb indicate that the battery contains mercury, cadmium or lead above the reference levels in EC Directive 2006/66. If batteries are not properly disposed of, these substances can cause harm to human health or the environment.

To protect natural resources and to promote material reuse, please separate batteries from other types of waste and recycle them through your local, free battery return system.

WACHTWOORD INSTELLEN

Wanneer u voor het eerst toegang krijgt tot het apparaat moet u een log-in wachtwoord registreren.

- Voor een nieuw wachtwoord met 8 tot 9 cijfers, moet u tenminste 3 van de volgende tekens gebruiken: hoofdletters/kleine letters, nummers en speciale tekens. Voor een wachtwoord met 10 tot 15 cijfers, moet u tenminste 2 van de vermelde types gebruiken.
 - Speciale tekens die zijn toegestaan: ~!@#\$%^&*()_-=+{}[];:?.
- Voor een hogere beveiliging wordt het afgeraden dezelfde tekens of opeenvolgende invoeringen van het toetsenbord voor uw wachtwoorden te gebruiken.
- Als u uw wachtwoord kwijt bent, kunt u de knop **[RESET]** indrukken om het product te initialiseren. Raak dus uw wachtwoord niet kwijt en schrijf het op of onthoudt het.

AANMELDEN

Elke keer als u de camera opent, verschijnt het aanmeldingsvenster.

Voer uw Gebruikers-ID en wachtwoord in om toegang te krijgen tot de camera.

- 1 Voer 'admin' in het invoervak van de <User Name> in.
- 2 Voer het wachtwoord in in het invoerveld <Password>.
- 3 Klik op [Sign in].

VERBINDING MAKEN MET WIFI

Camera-instelling

- 1 Sluit OTG-adapter (5 pennen) en WiFi-dongle aan op de micro USB-aansluiting.

Smartphone-instelling

- 1 Installeer de Wisenet-installatie-applicatie.
- 2 Selecteer de camera-SSID na het inschakelen van WiFi.
- 3 Voer de Wisenet-installatie-applicatie uit.
- 4 Wanneer u aanmeldt bij de camera, wordt de video verbonden.
 - De video wordt afgespeeld zonder aangemeld te zijn tijdens de aanvankelijke verbinding.
- 5 U kunt de weergavehoek aanpassen tijdens het bekijken van de video via een smartphone.
